

# Rapid White Daily Whitening Toothpaste

- Actively removes stubborn stains caused by red wine, tea, coffee and smoking
- Prevents stains re-occurring and controls tartar

Use Rapid White Daily Whitening Toothpaste to whiten teeth or as a maintenance programme following use of one of the Rapid White Tooth Whitening treatments.

#### This advanced formulation contains:

- A blend of PVP and polyphosphates which work hard to whiten your teeth as well as preventing tartar and plaque.
- High levels of whitening silicas offering maximum tooth whitening with gentle abrasion so it doesn't harm your tooth enamel.
- Fluoride to help strengthen and remineralise tooth enamel to protect against tooth decay.
- Intense mint flavour for long lasting freshness.

Brushing regularly helps keep your gums and teeth healthy and gives you a brighter, whiter, younger-looking smile.

#### Instructions: FOR ADULT USE ONLY

Brush teeth thoroughly for at least two minutes, preferably after each meal or at least twice a day, or as directed by a dentist or doctor.
